## RACING JUST FOR MEN?

We don't think so! Since the start of the 24H SERIES in 2008, over 40 women have participated in our races!

These four lovely ladies are a passionate bunch - Liesette Braams, Nanna Gotsche, Claudia Hürtgen, and Chantal Kroll have each raced in at least nine of our events!

Ladies - get inspired! Have any of you raced in our series before? Upload a picture and show us your 24H pride!
